PALM Expo Delhi 2027 is set to redefine the Pro Audio, Pro AV, Pro Home and Entertainment Lighting industry in North India. From **January 7–9, 2027**, at the iconic **Bharat Mandapam in New Delhi**, this premier event will bring together global technology leaders, innovators, and stakeholders to showcase cutting-edge solutions, foster collaboration, and shape the future of the industry.

Why Delhi?

The Strategic Choice for PALM's First North India Edition

Strategic Market Access

North India accounts for 40–45% of India's Pro AV demand

with **35% urbanization**, **20% higher disposable income**, and over **300 professional venues**—making it the country's most dynamic regional hub for audio-visual innovation.

North India: A Thriving Hub for Pro Audio Solutions, Home Audio, Advanced Display & Visual Technologies, and Entertainment & Project Lighting Solutions

India's Pro AV market is set to grow at **8–10% CAGR**, surpassing USD 8–9 billion by 2030. This growth is driven by:

Rapid adoption of hybrid work solutions and conferencing technologies

A booming live events industry projected to exceed USD 7 billion by 2028

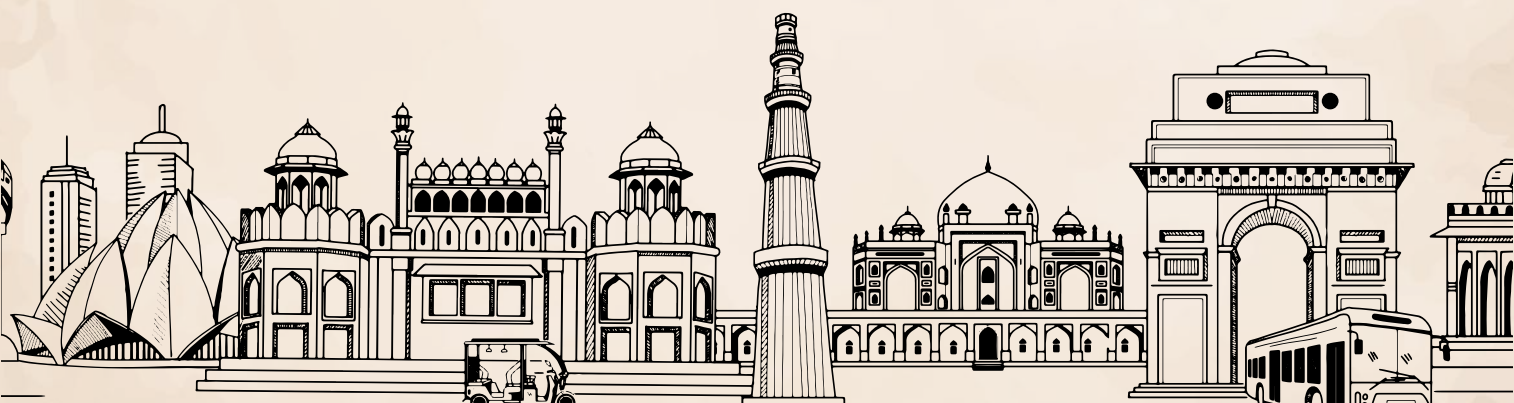

Delhi NCR's concentration of Fortune 500 headquarters, tech parks, and global corporations

Rising investments in smart cities, digital governance, and public infrastructure

Expanding hospitality sector, religious tourism, and convention venues
